INTRODUCING THE 2024 NATIONAL RED RIBBON THEME: LIFE IS A MOVE, FILM DRUG FREE.™

The National Family Partnership (NFP) has unveiled the theme for the 2024 Red Ribbon Week: “Life is A Movie, Film Drug Free.™” This creative theme, submitted by Cheryl Holsapfel, Digital Art Teacher, and Devansh Aggarwal from Solon Middle School, emphasizes the collective impact of embracing a drug-free lifestyle. The annual Red Ribbon Week Theme Contest, sponsored by NFP, encourages participants nationwide to craft slogans reflecting the campaign’s mission. The winning theme inspires individuals to contribute to safe, healthy, and drug-free communities through dedication and commitment.

Cheryl Holsapfel, Digital Art Teacher at Solon Middle School, expressed enthusiasm for integrating the Red Ribbon project into her curriculum, providing students with real-world application and engagement. The Red Ribbon Campaign, initiated in 1985 by NFP, symbolizes a commitment to raising awareness about the devastating impact of drugs in America.

Peggy B. Sapp, President of NFP, highlighted the importance of community engagement through initiatives like the theme contest. The theme contest is open annually, Theme submissions for the Red Ribbon Week Contest are open annually from January 1st to December 4th. Winners of the contest receive \$500 worth of Red Ribbon Week themed merchandise, generously provided by Nimco, Inc. As the sole supplier of Red Ribbon Merchandise Theme materials, Nimco, Inc. supports ongoing drug education efforts in schools nationwide.

Red Ribbon Week is observed annually from October 23rd to 31st. To learn more about the contest and the campaign, visit www.RedRibbon.org.

The Red Ribbon Campaign® is the oldest and largest drug prevention program in the nation, reaching millions of young people during Red Ribbon Week®, October 23rd - October 31st each year.

What Is Red Ribbon Week?

It is an ideal way for people and communities to unite and take a visible stand against drugs. Show your personal commitment to a drug-free lifestyle through the symbol of the Red Ribbon, October 23 - 31st. The mission of the Red Ribbon Campaign® is to present a unified and visible commitment towards the creation of a drug-free America.

Why?

The National Family Partnership organized the first Nationwide Red Ribbon Campaign in response to the murder of Drug Enforcement Agent Enrique “Kiki” Camarena. Camarena was tortured and killed in Mexico in 1985. After his murder, angered parents and youth in communities across the country began wearing Red Ribbons as a symbol of their commitment to raise awareness of the killing and destruction cause by drugs in America.

Who?

The National Family Partnership is the sponsor of the National Red Ribbon Week® Celebration. We are helping citizens across the country come together to keep children, families and communities safe, healthy and drug-free, through parent training, networking and sponsoring the National Red Ribbon Campaign®.

How?

NFP has been the leading organization in drug-free prevention for forty-four (44) years. NFP is committed to helping families and children reach their full potential and it is impossible to help without donations such as NIMCO. NIMCO is the only place families, children, and schools can purchase Red Ribbon Merchandise Theme material to support ongoing drug education in the schools. Visit Nimco, Inc. to use Red Ribbon Merchandise for your office, school, classroom, or home to show your support in making America drug-free.

Participate in the National Red Ribbon Theme Contest. Each year a new theme is chosen through a national contest. The contest starts in January and runs through December 4. By participating in the theme contest, you are helping to increase the awareness and effectiveness of Red Ribbon Week. Join us! Learn more about the contest by visiting redribbon.org/theme.

Has Red Ribbon Been Evaluated?

Red Ribbon, specifically, has not been evaluated. However, Red Ribbon is based on scientific principles for substance abuse prevention. The White House Office of National Drug Control Policy as well as federal departments of education, justice, and health and human services supports the following principles that have been tested through rigorous research methods.

Evidence-Based Principles for Substance Abuse Prevention

1. Address appropriate risk and protective factors for substance abuse in a defined population.
2. Use approaches that have been shown to be effective:
 - a. Reduce the availability of illicit drugs, alcohol, and tobacco for the under-aged through laws and policies
 - b. Strengthen anti-drug-use attitudes and norms through sharing information and engaging in activities
 - c. Strengthen life skills and drug refusal techniques
 - d. Reduce risk and enhance protection in families by setting rules and communicating
 - e. Strengthen social bonding
 - f. Ensure that interventions are appropriate for the populations being addressed
3. Intervene early at important stages and transitions.
4. Manage programs effectively by ensuring consistency, training staff and volunteers, and monitoring and evaluating programs.

THE RED RIBBON CAMPAIGN® IS THE LARGEST UNIVERSAL PREVENTION CAMPAIGN IN THE NATION

Each year, National Family Partnership invites top schools across the nation to embody the Red Ribbon Campaign and become a Red Ribbon Certified School (RRCS). RRCS is an environmental change process that aligns Teachers, Parents, Students, and Administrators into a team to create an effective and healthy school climate through parental engagement and community building.

The Review Process

The independent review and certification process is conducted by University of Central Florida / UCF Institute for Social and Behavioral Sciences based on the following criteria:

- Parents as Partners
- Leadership Commitment to Prevention
- Communication between Parents/Students/School Personnel
- Prevention Training for School Personnel
- Prevention Opportunities for Youth
- Broad Community Participation
- Year-Round Prevention Campaign Activities

National Family Partnership Gets Results in schools

The Red Ribbon Certified Schools program engages students, parents, and educators to reduce youth substance abuse and increase protective factors in K-12 schools. RRCS reduces the frequency of drinking and drugging for Florida's kids by 50% vs. non certified schools.

BECOME A RED RIBBON CERTIFIED SCHOOL

Red Ribbon Certification Process helps kids reach their full potential. It's a pathway for engaging parents, teachers, students, and the community by emphasizing the importance of family involvement in the education and healthy development of children.

Overall Program Goals include

- Produce safe, healthy drug free kids
- Increase parental involvement in school
- Improve academic performance
- Improve awareness and social norms around drugs and alcohol
